

Art Laboe

MC MAGIC

This is Art Laboe and I wanna say a few word about my good friend, MC Magic. I met him 10 years ago in Tucon, Arizona. And he introduced me at that time to Latin Hip Hop. Hes one of the true intervators of Latin Hip Hop. And he is one of our most requested. On behave of Art Laboe and our Sunday night special, best of luck on the new solo albumn, Magic City
