Got a Feeling

Josh Butler

Got a feeling
Got a feeling
Don't you like that
I got a feeling
Got a feeling
Don't you like that
I got a feeling
Got a feeling
Don't you like that
I got a feeling
Got a feeling
Don't you like that

I got a feeling
That you like me
That you like me
From the start

And when I see you
Oh it takes me
It takes me to the stars
Oh to the stars

I got a feeling
That you like me
That you like me
From the start

And when I see you
Oh it takes me
It takes me to the stars
Oh to the stars

I got a feeling
That you like me
That you like me
From the start

And when I see you
Oh it takes me

It takes me to the stars
Oh to the stars

I got a feeling
That you like me
That you like me
From the start
From the start
From the start
From the start
From the start
From the start
From the start
From the start
From the start
From the start
From the start
From the start
From the start
From the start
From the start
From the start
From the start
From the start
From the start
