

# I Can Love

Vicci Martinez

One of these days, I'm about to break and leave this behind.  
Gonna be days that you lose a fight but I won't lose my mind.

You know what I'm sayin',  
I know who I'm playin'.  
I'll keep doin' what I gotta do  
For me.

Well, baby, I can stop and change this world.  
And, baby, I can be that Supergirl.  
Baby, I can do more than you think.

I know I can because I have a heart that beats  
and I-I-I-I can love

And the river's deep and the mountain's high and the world is tough but so am I  
and I'm standin' up  
'Cause I-I-I-I can love.

And the light is on  
And it's in my soul  
And I'm here for you, that's how I roll  
and I'm standin' up  
'Cause I-I-I-I can love.

One of these days when you're losing faith,  
and you're down on the ground,  
what a sweet taste when you win the race  
and they can't keep you down.

You know what I'm sayin',  
You know who you're playin',  
I'll keep doin' what I gotta do for me.  
Well, baby, I can stop and change this world.  
And, baby, I can be that Supergirl.  
Baby, I can do more than you think.

I know I can because I have a heart that beats  
and I-I-I-I can love

And the river's deep and the mountain's high and the world is tough but so am I  
and I'm standin' up  
'Cause I-I-I-I can love.

And the light is on  
And it's in my soul  
And I'm here for you, that's how I roll  
and I'm standin' up

'Cause I-I-I-I can love.  
Love so deep,  
And love so blind,  
Love so strong,  
Every time.  
Who I am is what you see,  
And yes, it's love that sets me free!  
Baby, I can stop and change this world.  
Baby, I can be that Supergirl.  
Baby, I can do more than you think.  
I know I can because I have a heart that beats  
and I-I-I-I can love  
And the river's deep and the mountain's high and the world is tough but so am I  
and I'm standin' up  
'Cause I-I-I-I can love.  
And the light is on  
And it's in my soul  
And I'm here for you, that's how I roll  
and I'm standin' up  
'Cause I-I-I-I can love.
