

Summer

Pietro Cesaro

You were waiting for the summer, itâ€™s arrived
were you waiting for the summer ?... itâ€™s arrived

Forget the cold winter and the rainy spring, you must have a fun with the sunny days.
donâ€™t confuse yourself in the crowded beaches and in the long cars queues in the highway, itâ€™s not relaxing, on
you know what you like in the summer daysâ€¦..only you know what you like in the summer daysâ€¦

you were waitingâ€¦â€¦â€¦
for the summerâ€¦
itâ€™s arrivedâ€¦â€¦â€¦
