Can a child within my heart rise above?

Just the other day I was walking down the street and I stopped at the corner where we always used to meet and I
just broke down and Iâ€™ve been crying for daysâ€™ coz all the flash backs live inside of my brain

sane but I got too much issues I guess what Iâ€™m trying to say is I miss you
And Iâ€™m sorry Iâ€™m sorry coz weâ€™ve grown apart but I am still your property coz you own my heart
I canâ€™t pick up the phone coz its hard anymore coz youâ€™ve changed I donâ€™t know who you are anymore and
rapped youâ€™ll probably be using that line to but if you loved me youâ€™ll be losing your mind too and no Iâ€™m
fishing for complements Iâ€™m just showing you that deep down I am not a prick
