donÂ´t stop

Sarah Bettens

Don't stop trying, there's always reason to go on living
I'm living as long as you can breathe
Stay clear of extremes, just say what you mean
But try not to be meanYou should say thank you often like your hair
Wave to strangers everywhere
Do what you're supposed to do
Don't look at what the others doThing before you buy a car
Don't marry someone you met at a bar
There's no such thing as going too far
Love who you areDon't be scared of what's ahead
But wear the helmet to protect your head
Be aware, say you care, don't say fair
Stay close to the hand that raised youWatch for signs
Never waste expensive wine
Spoil your body, spoil yourself
Never cheat and share your wealthSing when you're glad
Close the door if you sound bad
Don't believe a man who knows he's right
Don't skip ahead, enjoy your flightBe nice to your dog, drive slow in the fog
Convince yourself to write a song
Change clothes everyday, call ahead when you're late
Be safe when you're planning to get laidRead what you like
Be on your brother's side
It's okay to wonder why
But don't expect to understand your lifeDon't expect to understand your life
Don't expect to understand your life
Don't expect to understand your life
