Drunker than Woodrow, good time with a hood ho
Mutombo, stack that bread tall
Two chromey things like the back of my rear exhaust
Redman, dog - something wrong, strong arm
If I don't get (Chips) like Ponch and John
You get slapped like Dee Barnes
(Doctor), not Dre
And eating - but, I'm after the entree!
My watch got TV's in, CD in play
Wanna find D-O, I'm knee-deep in MJ
