part 1: have i failed have i become unworthy what's this unwarranted distrust in my abilities have i failed stretch
in progression, kill the thirst for distrust it's an abused weapon no longer secured within stable nurturing yet i
stay here.

part 2: when i was brought in into this world i wasn't abandoned i'm by myself but not alone will i do the same

part 1: the children can i provide responsibility can i provide the life the love can i provide.
