Bang Bang

Brutha

I never thought that it would be
She'd get tired of me
And leave me all alone
But she did
Looking back on the argument
All of it seems to turn into a great big blur
Don't recall all that was said, yeah
But this relationship is dead
Dead in the water I thought her response
To my blatant disrespect would be heard
Regular thing, cry a bit
Then eventually get over it, get over it
Not this time, shorty got hip to the game
Not this line, oh, that line would work
I normally could talk a bum into buyin' dirt
I normally could talk a nun up out her skirt but
Not this time, she wasn't going for
For my sweet talk, no, not at all
Nobody to blame, was all my fault
Tried to be slick, messed around and got caught, oh
I assumed she would forgive me
Like every time
But instead she said she's leaving
Click, click, bang, bang
She hit me with click, click, bang, bang
(Shot right through my heart)
Click, click, bang, bang
That awful sound, my baby shot me down
Click, click, bang, bang
She hit me with click, click, bang, bang
(Right through my heart)
Click, click, bang, bang
That awful sound, my baby shot me down
Well, I messed up and got at this girl
And my world's 'bout to crumble before my eyes
I don't know why I did it
But she was there so I did it, oh
And when I say I did it, I mean I did it
I smacked it, I flipped it, I rubbed it, she loved it

So much she had to tell her girlfriend
Who happened to be my girlfriend
Oh, I guess that was
The straw that broke the camel's back
'Cause there wasn't no talkin' after that
Came home and her bags was already packed
Not this time, she wasn't going for
For my sweet talk, no, not at all
Nobody to blame, was all my fault
Tried to be slick, messed around and got caught
I assumed she would forgive me
But instead she said she's leaving
Click, click, bang, bang
She hit me with click, click, bang, bang
(Shot me right through my heart, yeah)
Click, click, bang, bang
That awful sound, my baby shot me down
Click, click, bang, bang
She hit me with click, click, bang, bang
(Right through my heart, oh)
Click, click, bang, bang
That awful sound, my baby shot me down
Click, click, bang, bang
She hit me with click, click, bang, bang
(Hey, right through my heart, oh, baby, baby, baby)
Click, click, bang, bang
That awful sound, my baby shot me down
Click, click, bang, bang
She hit me with click, click, bang, bang
(Right in my heart)
Click, click, bang, bang
That awful sound, my baby shot me down
Bang, bang
That awful sound, my baby shot me down
Bang, bang
Bang, bang
That awful sound, my baby shot me down
Bang, bang
