

Anything Could Happen

Fifth Harmony

Anything could happen
Anything could happen
Anything could happen
Anything could happen
Anything could Uh, uh, uh, uh, uh, uh
Uh, uh, uh, uh, uh, uh After the war we said we'd fight together
I guess we thought that's just what humans do But now I've seen it through
And now I know the truth Anything could happen
Anything could happen
Anything could happen
Anything could happen
Anything could Uh, uh, uh, uh, uh, uh
Uh, uh, uh, uh, uh, uh Baby, I'll give you anything you need
I'll give you anything you need, oh yeah
I'll give you anything you need I know it's gonna be
I know it's gonna be
I know it's gonna be
I know it's gonna be
I know it's gonna be
I know it's gonna be
I know it's gonna be Alright Uh, uh, uh, uh, uh, uh
Uh, uh, uh, uh, uh, uh Since we found out
Since we found out Anything could happen
Anything could happen
Anything could happen
Anything could happen
Anything could Uh, uh, uh, uh, uh, uh
