

Riot Fight

Beastie Boys

Riot fight
Wait that was a false Riot fight
Riot fight
Riot fight
Riot fight Riot fight, no we don't fight on Friday night
Find a trail so that we can all feast on mighty might
Riot fight, no we don't fight on Friday night
On again, all my life, forget to take the house of white Riot fight
Riot fight
Riot fight
Riot fight Riot fight, no we don't fight on Friday night
Riot fight, no we don't fight on Friday night
