

# Living Next Door to Alice

## Smokie

Sally called when she got the word  
And she said, "I suppose you've heard about Alice"  
Well I rushed to the window and I looked outside  
And I could hardly believe my eyes  
As a big Limousine rolled up into Alice's drive  
Oh, I don't know why she's leaving or where she's gonna go  
I guess she's got her reasons but I just don't wanna know  
'Cos for twenty-four years I've been living next door to Alice  
Twenty-four years just waiting for a chance  
To tell her how I feel and maybe get a second glance  
Now I've gotta get used to not living next door to Alice  
We grew up together, two kids in the park  
We carved our initials, deep in the bark, me and Alice  
Now she walks through the door with her head held high  
Just for a moment, I caught her eye  
As the big Limousine pulled slowly out of Alice's drive  
Oh, I don't know why she's leaving or where she's  
gonna go  
I guess she's got her reasons but I just don't wanna know  
'Cos for twenty-four years I've been living next door to Alice  
Twenty-four years just waiting for a chance  
To tell her how I feel and maybe get a second glance  
Now I've gotta get used to not living next door to Alice  
Sally called back and asked how I felt  
And she said, "I know how to help, get over Alice"  
She said, "Now Alice is gone but I'm still here  
You know I've been waiting for twenty-four years"  
And the big Limousine disappeared  
Oh, I don't know why she's leaving or where she's gonna go  
I guess she's got her reasons but I just don't wanna know  
'Cos for twenty-four years I've been living next door to Alice  
Twenty-four years just waiting for a chance  
To tell her how I feel, and maybe get a second glance  
Now I've gotta get used to not living next door to Alice  
Now I'll never get used to not living next door to Alice
