

# 6 Man

## Drake

Yeah

YeahBoomin' out in South Gwinnett like Lou Will  
6 Man like Lou Will, 2 girls and they get along like I'm (Lou Will)

Like I'm Lou Will, I just got the new deal

I am in the Matrix and I just took the blue pill  
No ho shit, no fuckin' ho shit, save that for your shit

I don't need no fuckin' body, I run my own shit

Like Soulja, I thought I told yah, you didn't listen

Fieri, I'm in the kitchen, I'm a magician

I'm on it, I'm like Macgyver, I'm Michael Myers  
I kill careers and cut the lights off, this shit is frightenin'

I knew it would end up like this, I'm fuckin' psychic  
Young but I'm makin' millions to work the night shiftYeah

Work the night shift

Young but I'm makin' millions to work the night shift

Work

Work the night shiftYoung but I'm gettin' every single motherfuckin' thing

I'm old, you gotta know

I'm here to fuck with niggas souls, my heart is cold  
It's proly 'cause I'm from the snow, with all my woes

I know they wanna see me go, I'm on a roll

I mean I'm back on this again, I'm here again  
You know the truth, this not pretend, I'm not your friend

Not your guy, I'm not your buddy, show no lovin'

I might go DeMarcus Cousins out in public

Man I'm back on this again, I'm here again

I didn't do this fuckin' tape for CNN

I am not tryna win awards, that shit looked forced

It's nothin' like this

Young but I'm makin' millions to work the night shiftYeah

Work the night shift

Young but I'm makin' millions to work the night shift

Work

Work the night shiftIf you were worried about where

I've been or who I saw or

What club I went to with the homies

Baby don't worry, you know that you got me

I'm never worried about where

I'm at or who I saw or

What club I go to with the homies  
Baby don't worry, I know that they got me
