

# Walk Through This World with Me

[George Jones](#)

Walk through this world with me go where I go

Share all my dreams with me I need you so

In life we search and some of us find

And I've looked for you a long, long time And now that I've found you new horizons I see

Come take my hand and walk through this world with me Walk through this world with me go where I go

Share all the dreams with me I've searched for you so And now that I've found you new horizons I see

Come take my hand and walk through this world with me

Come take my hand and walk through this world with me
