

Dough is what i got

Lil' Wayne

[Chorus:]

Dough is what I got, lil mama

Dough is what I got, pretty lady

Dough is what I got, shortie

Dough is what I got, baby

C'mon, I'm paid [x4][Lil Wayne:]

Give a woman none, uh-huh

I already gave my brother some, it's my sister turn

Ain't it funny how the fish do burn

But your boy just relax like a fresh new perm

At the world in the barrel of the pistol term

Well we get it how we live never live and learn

Gotta talk about the flow cause you is concerned

Only down south rapper could've been in tha firm

Or the commissioner of Wu-Tang nigga

Tryna tell you I can kick it like Liu Kang nigga

Got the Sub-Zero flow how you want me ma

Nigga get over here like Scorpion

And when it comes down to this recording

I must be LeBron James if he's Jordan

No, I want rings for my performance

I'm more Kobe Bryant of an artist

Same coach, same game, been starting

...Same triangle offense

I come through the lane like dargent

Refree niggaz is lame they call charging

I have no brain I'm retarded

We are not the same I'ma Martian

You can be my Jane i'm your Tarzan

I'm from the jungle where the snakes is all poison

I am magnificent like Marcus

You might wanna fall back like August

Or late september whatever you call it

I hit niggaz in the head like Vonage

I am talking to no particular audience

But understand I'm the guardian

And understand there won't be no guardin him

You will just get played like an accordion

I don't give a damn if she's bossy

I keep pussy running like a faucet
She better catch like she Steve Largent
Because I'm "What's up" like "Martin"[Lil Wayne:]
See I know y'all be talking about and you don't like what you here sometimes
But um um since I'm so bright I'ma put the spotlight on you baby[Chorus:]
Show me what you bout, lil daddy
I know you need to stop, stop hatin
I know what you not, wodie
And that is Weezy Baby
Blunts up now
Blaze [x4]
