Things I Like

Propagandhi

I like Kurt Russel as Captain Ron.
Grace Under Pressure on in almost any circumstance.
I like dark planetariums.
I like when she wears them low-cut shirts and yoga pants.
I like unbroken snow on lodgepole pine boughs.
The rusty pump of a jay's forest communiqu.
And I like a rowdy fuckin' Pride parade.I like how Hedges tells it like it is.
I like the sciences. I like profound mysteries.
I like The Supremes' "You Can't Hurry Love"
and the emergence of competing histories.
And I like the Maple Leafs
cuz they remind me of me:
inconsistent, fragile, internationally reviled.
I like allegories. Cinderella stories.Ahow ndinawemaaganiidog, Wabanakwut ndigo
(Hello my relatives, I am known as Grey Cloud)
Aapijii iinzan mewinzhaa kete-Anishinaabeg gii-soongideewag
(Apparently a long, long time ago the ancient Native people were strong hearted)
Kii-gichi-anokiiwag, kii-jiikendamoog
(They worked hard, they were happy)
Aapijii iinzan kii-chikinaagoziwag
(Apparently they really looked good)
Kete-anishinaabeg ogii-wiidookaawiiwaa shaaganaashiiwag
(The ancient ones supported the Europeans)
Gegoo wiin wiikaa oniikesiidaa
(Lets not forget that)
Pizaaniigo nagamok! Nagamok isina!
(Go ahead and sing you guys! Sing real hard guys!)I like speculative fiction: dark narratives of the future that looms. Of our impending doom.
