

# So Close

**Jon Mclaughlin**

You're in my arms, and all the world is calm  
The music playing on for only two  
So close together and when I'm with you  
So close to feeling alive  
A life goes by, romantic dreams will stop  
So I bid mine goodbye and never knew  
So close was waiting, waiting here with you  
And now forever I know, all that I wanted to hold you so close  
So close to reaching that famous happy end  
Almost believing this was not pretend

Now you're beside me, and look how far we've come  
So far we are so close  
Oh, how could I face the faceless days  
If I should lose you now?  
We're so close to reaching that famous happy end  
And almost believing this was not pretend  
Let's go on dreaming for we know we are  
So close, so close and still so far
