

Jen Doesn't Like Me Anymore

Less Than Jake

Jen thinks it isn't fair
That I don't really care
If she likes me or not
Jen doesn't like to settle
Until she makes me feel like Howie Reynolds
She thinks that I'm all that I've got
So, Jen doesn't like me anymore
And Jen doesn't like to go to my shows
She hates to hear my whoa-whoas
Jen doesn't like me anymore
