Hero

Charlotte Perrelli

Everything has a beginning
Everything comes to an end
Take it or leave it, you better believe it
Be my lover, be my friend
Try to deny what you're feeling
And you know that you're heart will say no
Love will last longer, growing stronger and stronger
If you stay and don't let goOh, out of the light, like a star, like a hero
Love will survive
Oh, taking a fight is a life of a hero
Staying alive
This is a story of love and compassion
Only heroes can tell
Oh, out of the light, like a star, like a hero
Love will surviveHeaven and earth keep colliding
But we love on a world of its own
Oh, there you can fake it, just make it or break it
Only you can find the oneOh, out of the light, like a star, like a hero
Love will survive
Oh, taking a fight is a life of a hero
Staying alive
This is a story of love and compassion
Only heroes can tell
Oh, out of the light, like a star, like a hero
Love will surviveOh, survive
Heroes can live on their own
But heroes never die aloneOh, out of the light, like a star, like a hero
Love will survive
Oh, taking a fight is a life of a hero
Staying alive
This is a story of love and compassion
Only heroes can tell
Oh, out of the light, like a star, like a hero
Love will survive
