

# Dead In The Water

## Orange 9mm

What is there to be when it seems  
Like it's all going down  
The drain sucks everything  
You need to breathe the air somehow  
I don't care what you say I'm dead in the water, nothing to show for I'm supposed to see  
What is there to make this world go 'round  
But I like to learn the hard way  
You need to live your life somehow  
I don't care what you say
