

# Live and Let Die

Paul McCartney & Wings/Wings/Paul McCartney

When you were young  
And your heart was an open book  
You used to say live and let live  
But if this ever changing world  
Which we live in  
Makes you give in and cry  
Say, live and let die  
Live and let die  
Say, live and let die  
Live and let die, ohh yeah  
What does it matter to you?  
When you got a job to do  
You got to do well  
You got to give the other fellow hell

Say, live and let die  
Live and let die, ohh yeah  
Live and let die  
When you were young  
And your heart was an open book  
You used to say live and let live  
But if this world  
Which we live in  
Makes you cry  
Say, live, live and let die  
Live and let die  
Live and let die, ohh yeah
