

# **It's Alright Now**

## Margo Guryan

IT'S ALRIGHT NOWWords and Music by Margo GuryanIt's alright now

We talked the whole thing over

We understand each other

And we won't be seen together anymoreIt's alright now

Be careful not to touch me

Don't tell me what you're thinkin'

And don't ask me what I feelEv'rything will be okay tomorrow

When love is gone

No one seems to love forever

Why should ours go on

And on

And onIt's alright now

It's time that we were leaving

I've other things to think of

And you shouldn't see me cryin' anyhow

And anyhow it's alright nowÂ© 1971 (renewed) Dartmoor Music
