

# Call Me Papa

**Donavon Frankenreiter**

(FROM THE LIVE AT RAMS HEAD RECORDING)

Moon comes up and the moon goes down  
another sleepless night  
another sleeples town  
but I got you, I said I got you  
and whenever I think about what I lost  
I change my mind instead to what I still got  
cause I got you, I said I got you  
you can call me papa  
and Ill call you baby,  
and dont forget that your mamas my....baby too  
where ever you go, what ever you do  
dont forget that Ill be there  
Ill be there for you  
and soon enough you know Ill be around  
but that aint soon enough cause it aint rite now  
I need you, yea I need you  
you close your eyes and you drift asleap  
from time to time I hope you run into me  
thinkin of you  
I hope you see me too  
well now..  
you can call me papa  
and Ill call you baby  
and dont forget that your mamas my.....baby too  
where ever you go  
what ever you do  
I will be there  
Ill be there for you  
you know I will now....

(Guitar)
