

Vlad The Impaler (Alt LP Versi

Kasabian

Face check I walk this beach
I'm frying in the heat in the cauldron stir me
Chomp down my diamond teeth I ain't got
The simple things in life I feel like
You have got to witness
This is your last retreat
My last repeat All my friends are as sharp as razors
Cut you down if you touch the faders
High class girls hung in elevators
Now we have got the floor Get loose get loose You can't miss me I'm still alive
Snake skin shoes I'm pleading homicide
Come on and feel this I'm still alive
Joker meet you on the other side Banshie I hear you call
We need to raise the dead we need to raise the people
Cut throat this blood runs thick
It is true the simple things in life have been lost
You have got to witness
We are the last beatniks
The lost heretics All my friends are as sharp as razors
Cut you down if you touch the faders
Listen up all you masqueraders
Now we have got the floor
Now we have got the floor Get loose get loose You can't miss me I'm still alive
Snake skin shoes I'm pleading homicide
Come on and feel this I'm still alive
Joker meet you on the other side
