

# Summer Here Kids

## Grandaddy

Summer here kids After she lets you glide around  
Finally hit the ground like a paper plane  
Take a trip, join me in the sun  
But not really though and I ain't having fun 'Cause summer here kids, summer here totally lies  
Tourist info said I'd have a good time  
Summer here kids, all of them awful lies  
Tourist info said I'd have a good time Do as I didn't do because  
I'm a picture of indumbivinity  
Stay alone put a record on  
Listen to the songs keep yourself at home 'Cause summer here kids, summer here totally lies  
Tourist info said I'd have a good time  
Summer here kids, all of them awful lies  
Tourist info said I'd have a good time I'd have a good time  
I'm not having a good time  
I'm not having a good time
