Hold On

Sharon Tandy

You say you love me but you don't know why
I can see it there by the look in your eye
do yourself a favor, count me in
doesn't cost much boy, but it's easy to win
I can help you hold on
everything you do's wrong
it's easy to face the music if you know the style
in your nightlife baby you seem to sing forever
it's sleepy people, you're all together
but the mist from your eyes, you don't see too well
but the world has got you under its spell
I can help you hold on
everything you do's wrong
it's easy to face the music if you know the style
hold on
hold on
hold on
hold on
hold on
hold on
hold on

You say you love me but you don't know why
I can see it there by the look in your eye
do yourself a favor, count me in
doesn't cost much boy, but it's easy to win
I can help you hold on
everything you do's wrong
it's easy to face the music if you know the style
