

Girlfriend

B2k

I got everything I want in my life except a girlfriend

Woo woo woo

Ah, B2K

Just coped a Bentley and it's parked in my garage

It's 2:00 I'm pullin' in for my massage

And everywhere they know just who we are

There they go, it's them ghetto superstars

The latest throwbacks and them ones on my feet

Get out the Benz and then I'm off up the jeep

Takin' flicks with chicks that look like 'licia keys

All of that I'm still missin' one thing

(Whoa)

A girlfriend, girlfriend

(Hey, everything I wanted)

I need a girlfriend, girlfriend

(Yeah, and everything that)

Girlfriend, girlfriend

(Oh, would you be my?)

Would you be my girlfriend, girlfriend?

(Hey)

We hit the mall, I buy you Prada Nike suits

I'm bein' pampered while I'm chillin' by the pool

From the show to the limo to the club

And to the end showin' nothin' but some love

Got plenty clothes plenty ice plenty cash

I'm pretty swole, pretty abs, pretty shh

I got every single thing that I need

Except for a main squeeze

I need a girlfriend, girlfriend

(Oh, girlfriend)

I need a girlfriend, girlfriend

(Oh, I need, I need)

Girlfriend, girlfriend

(A girlfriend, would you be my?)

Would you be my girlfriend, girlfriend?

Yeah yeah

Tell me who's gonna be my girlfriend?

And who out there needs a real man?

And who's gonna ride or die with me?
Who's gonna give B2K what they need?
I need a thick with big hips that's just my motivation
No more game preparation, this is pimperation
She must be ready and steady for a romance session
I'm talkin', willin' to learn a lil' fizz lesson
Now she playin' it again and now we argurin'
Talkin' girls, talk mess and tellin' all her friends
But I seen this new chick tonight
And I'ma make her my girlfriend, my girlfriend
I need girlfriend, girlfriend
(Someone for me yeah)
I need girlfriend, girlfriend
(That is all my need)
A girlfriend, girlfriend
(In my life)
Would you be my girlfriend, girlfriend?
(Oh)
I need a girlfriend, girlfriend
(Someone to call my own)
I need a girlfriend, girlfriend
(Spend some money on)
(And I'm gonna take her out)
A girlfriend, girlfriend
(To show her what I'm all about)
(Aey, hey, oh, ho)
Would you be my girlfriend, girlfriend?
Yeah, hey
A girlfriend
