

# Prayer for the Dying

## Seal

Da da, da da, ah, ho-oo-oh-oo Fearless people careless needle  
Harsh words spoken and lives are broken  
Forceful aging help me I'm fading  
Heaven's waiting it's time to move on Crossing that bridge with lessons I've learned  
Playing with fire and not getting burned  
I may not know what you're going through  
But time is the space between me and you  
Life carries on, ooh  
It goes on Just say die and that would be pessimistic  
In your mind we can walk across the water  
Please don't cry it's just a prayer for the dying  
I just don't know what's got into me Been crossing that bridge with lessons I've learned (learned)  
Playing with fire and not getting burned (burned)  
I may not know what you're going through  
But time is the space between me and you  
There is a light through that window  
Hold on say yes while people say no  
Life carries on, on, on, on, ooh  
It goes on, oh-ee-oh, whoa-ee-oh, ho, oh I'm crossing that bridge with lessons (I've learned)  
I'm playing with fire and not getting burned (burned)  
I may not know what you're going through  
But time is the space between me and you  
There is a light through that window  
Hold on say yes while people say no 'Cause life carries on oh-ee-oh, whoa-ee-oh ho on  
It goes on, oh-ee-on, it goes on  
Whoah, whoah, life carries on  
When nothing else matters  
When nothing else matters  
I just don't know what's got into me  
It's just a prayer for the dying  
For the dying
