I Could Have Danced All Night

Julie Andrews

I Could Have Danced All NightBed! Bed! I couldn't go to bed!
My head's too light to try to set it down!
Sleep! Sleep! I couldn't sleep tonight!
Not for all the jewels in the crown!I could have danced all night
I could have danced all night
And still have begged for more
I could have spread my wings
And done a thousand things
I've never done beforeI'll never know
what made it so exciting
Why all at once
my heart took flightI only know when he
began to dance with me
I could have danced, danced, danced,
All night!I could have danced all night
I could have danced all night
And still have begged for more
I could have spread my wings
And done a thousand things
I've never done beforeI'll never know
what made it so exciting
Why all at once
my heart took flightI only know when he
began to dance with me
I could have danced, danced, danced,
All night!
