

What a Shame (Rl Grime & Salva Remix)

[Jamie Lidell](#)

Gonna stop for conversation
Cause I'm the kind of hesitation
I always said that I'ma find you
I'ma stand up in the danger
There's no way to treat you
I really hit the way I treat you
And I know everyday girl
And I think oh What a shame, what a shame,
We'll just have to wait What a
shame, what a shame, We'll
just have to wait Oh, what a
shame Ever since the day I
met you I've been following the
leader You're now my fan, not
my teacher So I accept the way I treat you You make me feel
like a stranger You see I feel like
I'm a stranger Fear I know that
we in danger And I think What a
shame, what a shame, We'll
just have to wait What a shame,
what a shame, We'll just have to
wait Oh, what a shame The wait, the shame, you know,
oh, oh, oh, oh Whoa What a
shame, what a shame, We'll just
have to wait What a shame, what
a shame, We'll just have to wait
Oh, what a shame What a shame,
what a shame, We'll just have to
wait What a shame, what a shame,
We'll just have to wait Oh, what
a shame.
