The Search Is Over

Rachelle Ann Go

How can I convince you
What you see is real
Who am I to blame you
For doubting what you feelI was always reachin'
You were just a boy
I knew I took for granted
The friend I have in youI was living for a dream
Loving for a moment
Taking on the world
That was just my style
Now I look into your eyes
I can see forever
The search is over
You were with me all the whileCan we last forever
We'll we fall apart
At times it's so confusing
The questions of the haertSo if you ever loved me
And patiently you'd wait
Till I came to my senses
Through some miracle of faithI was living for a dream
Loving for a moment
Taking on the world
That was just my style
Now I look into your eyes
I can see forever
The search is over
You were with me all the whileNow the miles stretch out behind me
Loves that I have lost
Broken hearts lie victims of the game
Then good luck
It finally stuck like lightning from the blue
Every highway's leading me back to youNow at last I hold you
Now all is said and done
The search has come full circle
Our destinies are oneSo if you ever loved me
Show me that you gave a damn
You'll know for certain
The girl I really amI was living for a dream
Loving for a moment

Taking on the world
That was just my style
When I touched your hand
I could hear you whisper
The search is over
Love was right before my eyes
