

# The Love You Save

## Jackson 5

Stop na na na, you'd better save it!  
Stop, stop, stop, you'd better save it! When we played tag in grade school  
You wanted to be It.  
But chasing boys was just a fad  
You crossed your heart you'd quit. When we grew up you traded  
Your promise for my ring  
Now just like back to grade school  
You're doing the same old thing! Stop, the love you save may be your own!  
Darling, take it slow  
Or some day you'll be all alone.  
You'd better stop, the love you save may be your own!  
Darling, look both ways before you cross me  
You're headed for the danger zone. I'm the one who loves you!  
I'm the one you need! Those other guys will put you down  
As soon as they succeed! They'll ruin your reputation!  
They'll label you a flirt! The way they talk about you  
They'll turn your name to dirt, oh! Isaac said he kissed you  
Beneath the apple tree  
When Benji held your hand he felt  
Electricity  
When Alexander called you  
He said he rang your chimes.  
Christopher discovered  
You're way ahead of your times! Stop, the love you save may be your own!  
Darling, take it slow  
Or some day you'll be all alone.  
You'd better stop, the love you save may be your own!  
Darling, look both ways before you cross me  
You're headed for a danger zone. Slow down.  
Slow down.  
Slow down.  
Slow down. S is for "Save it"  
T is for "Take it slow"  
O is for "Oh, no!"  
P is for "Please, please, don't go!" The love you save may be your own  
Some day you may be all alone  
Stop it!  
Save it, girl!  
Baby, ooh!

You better stop, the love you save may be your own  
Please, please  
Or some day, some day baby,  
You'll be all alone I'm the one who loves you!  
I'm the one you need! Those other guys will put you down  
As soon as they succeed. (Ah!) Stop, the love you save may be your own, baby  
You'd better stop it, stop it, stop it girl!  
Or someday you'll be all alone. The way they talk about you  
They'll turn your name, turn your name to dirt. Stop, the love you save may be your own!  
Don't you know don't you know.  
Some day baby you'll be all alone. (Wait a while) Those other guys will put you down  
As soon as they succeed. Stop, the love you save may be your own!
