Remedy

David Crowder Band

Here we are, here we are
The broken and used, mistreated, abused
Here we are
And here You are, here You are
The beautiful one who came like a Son
Here You are
So we lift up our voices and open our hands
To cling to the love that we can?t comprehend
Oh, lift up your voices and lift up your heads
To sing of the love that has freed us from sin
He is the one who has saved us
He is the one who embraced us
He is the one who has come and is coming again
He?s the remedy
Here we are, here we are
Bandaged and bruised, awaiting a cure
Here we are
And here You are, here You are
Our beautiful King bringing relief
Here You are with us
So we lift up our voices and open our hands
Let go of the things that have kept us from Him
He is the one who has saved us
He is the one who forgave us
He is the one who has come and is coming again
He?s the remedy
Oh, I can?t comprehend, I can?t take it all in
Never understand such perfect love
Come for the broken and beat, for the wounded and weak
Oh, come fall at His feet
He?s the remedy, He?s the remedy
He is the one who has saved us
He is the one who forgave us
He is the one who has come and is coming again
He?s the remedy, He?s the remedy
Oh, He?s the remedy, oh, He?s the remedy, so sing, sing
You?re the one who has saved us
You are the one who forgave us
You are the one who has come and is coming again

You're the one who has come and You're coming again
You're the one who has come and is coming again
Make it alright, oh, make it alright
You?re the remedy, oh, in us
You?re the remedy, oh, You're in us
You?re the remedy, let us be the remedy
Let us be the remedy, let us bring the remedy
