

La Vie Dansante

Aaron Neville

They can come take it all away
Break your heart by the light of day
Drown your love in a distant bay so lonely
See the ships heading for the rocks
See the time melting over the clocks
There's a light that shadows all the rocks that saves me
It saves me That's why I wander and follow la vie dansante
On the night wind that takes me just where I want
That's all I want
La vie dansante Miss the beat if you close your eyes
Every night wears a new disguise
And I live when a new surprise surrender
Feel it all with a willing heart
Every stop there's a place to start
If you know how to play the part with feeling
I play with feeling Why don't you wander and follow la vie dansante?
On the night wind that takes you just where you want
That's all you want
La vie dansante That's why I wander and follow la vie dansante
On the night wind that takes me just where I want
That's all I want
La vie dansante Why don't you wander and follow la vie dansante?
On the night wind that takes you just where you want
That's all you want
La vie dansante Dansante ensemble je suis bon la vie dansante
Dan la chance ce tour jour la vie qui chance
la vie qui chance, la vie qui chance
la vie dansante
