# You Work for Me

## Laura Mvula

Once on top
You bound to fall
Hit the ground like Autum leaves
I remember I started it all
Now I'm left with nothing
But the memories
When you came crawling back
I told you one thingYou work for me.
Don't forget
You work for me...
Nobody else.
(lala)
Dragged out kick'n & screaming
(lalalala)
Tied to the bottom of the sea
(lalalalala)
I really don't care
What you believe in
(lalalala)
Just remember one thing.
(lalalala)You work for me...
Don't forget
You work for me...
Nobody else
Come when i come
Get down on your knees
A promise doesn't mean a thing
Unless you bleed.
You must remember.You work for me...
You work for me.
