Teddy Bear

Al Morgan

VERSE
I like the way you say that I'm your lady
I love the way you say I'm hot
I even like the way you think I'm crazy
I never hope you say I'm not
One and only
You're perfect for me
I'm so safe in your arms
You're a keeper
And I won't leave ya
You'll always have my heart
CHORUS
Cuz baby you're my teddy bear
Ooh yeah ooh yeah
Oh baby you're my teddy bear
Ooh yeah ooh yeah
It took a little while to find
But I'm so damn glad you're mine
Baby you're my teddy bear
Don't you ever go away
Don't you ever go away
VERSE
Out of all the one's I've played with
You're my favorite
And all the others don't come close
Damn you make me wish
I would've waited
Cuz you're the one I love the most
One and only
You're perfect for me
I'm so safe in your arms
You're a keeper
And I won't leave ya
You'll always have my heart

CHORUS
Cuz baby you're my teddy bear
Ooh yeah ooh yeah
Oh baby you're my teddy bear

Ooh yeah ooh yeah
It took a little while to find
But I'm so damn glad you're mine
Baby you're my teddy bear
Don't you ever go away
Don't you ever go away
Ooh yeah
BRIDGE
So it's just me and you
No way we can lose
I got your back
You got my back
We got this forever
So they can say what they want
They won't hurt us
I don't even care
Let them interfere
You're still gon be right here...
Yes you are
CHORUS
Cuz baby you're my teddy bear
Ooh yeah ooh yeah
Oh baby you're my teddy bear
Ooh yeah ooh yeah
It took a little while to find
But I'm so damn glad you're mine
Baby you're my teddy bear
Don't you ever go away
Don't you ever go away
I'm here to stay baby
Don't go away baby
