All Around Me (acoustic)

Flyleaf

My hands are searching for you
My arms are outstretched towards you
I feel you on my fingertips
My tongue dances behind my lips for you
This fire rising through my being
Burning, I'm not used to seeing you
I'm alive
I'm alive
I can feel you all around me
Thickening the air I'm breathing
Holding on to what I'm feeling
Savoring this heart that's healing
My hands float up above me
And you whisper you love me
And I begin to fade
Into our secret place
The music makes me sway
The angels singing say we are alone with you
I am alone and they are too with you
I'm alive
I'm alive
I can feel you all around me
Thickening the air I'm breathing
Holding on to what I'm feeling
Savoring this heart that's healing
And so I cry
The light is white
And I see you
I'm alive
I'm alive
I'm alive
I can feel you all around me
Thickening the air I'm breathing
Holding on to what I'm feeling
Savoring this heart that's healing
Take my hand, I give it to you
Now you owe me, all I am
You said you would never leave me
I believe you, I believe

I can feel you all around me
Thickening the air I'm breathing
Holding on to what I'm feeling
Savoring this heart that's healed
