

Cooler Than Me

Mike Posner

If I could write you a song,
And make you fall in love,
I would already have you up under my arm.
I used up all my tricks,
I hope that you like this.
But you probably won't,
You think you're cooler than me. You got designer shades,
Just to hide your face and
You wear them around like
You're cooler than me.
And you never say hey,
Or remember my name.
It's probably 'cause,
You think you're cooler than me. You got your high brow,
Shoes on your feet,
And you wear them around,
Like they ain't wrong.
But you don't know,
The way that you look,
When your steps
Make
That
Much
Noise. See I got you,
All figured out,
You need everyone's eyes just to feel seen.
Behind your make-up
Nobody knows
Who you really are
Who you think that you are. If I could write you a song,
And make you fall in love,
I would already have you up under my arm.
I used up all my tricks,
I hope that you like this.
But you probably won't,
You think you're cooler than me. You got designer shades,
Just to hide your face and
You wear them around like,
You're cooler than me.

And you never say hey,
Or remember my name.
It's probably 'cause,
You think you're cooler than me. You got your hot crowd,
Switch in your walk,
And you don't even look when you pass by.
But you don't know,
The way that you look.
When your steps make
That
Much
Noise. And don't you dare act like you don't know,
Know what's up,
'Cause your nose is up.
I'm approaching up.
Like I can't give you winter in the summer
Or summer in the winter
Miami in December
Trying to look bored in them Dior's.
She probably is,
Was acting shallow 'til she found out
How deep that my pockets is
Mrs. Prima Madonna, this is your reminder
That I think you're fine, but I'm finer 'Cause it sure seems
('Cause it sure seems)
You got no doubt
(That you got no doubt)
But we all see
(We all see)
You got your head in the clouds
(Clouds) If I could write you a song,
And make you fall in love,
I would already have you up under my arm.
I used up all my tricks,
I hope that you like this.
But you probably won't,
You think you're cooler than me. You got designer shades,
Just to hide your face and
You wear them around like,
You're cooler than me.
And you never say hey,
Or remember my name.
It's probably 'cause,
You think you're cooler than me.
