

# Because I Love You

September

I love you, I love you You say that you love me  
We both know you don't mean it every day  
But somehow you got me  
So I'll put up with anything you say Because I love you  
Because I love you I'd rather be with you whenever  
Than without you all the time  
And I will forgive you whatever  
Just to say that you are mine Because I love you  
Because I love you Because I love you  
Because I love you I love you, do you love me?  
When tomorrow comes I guess we'll see  
When I push in you pull out  
But you still need me Yes I do, yes I do, yes I do now  
Yes I do, yes I do, yes I do now Because I love you  
(Yes I do, yes I do, yes I do now)  
Because I love you  
(Yes I do, yes I do, yes I do now) Because I love you  
(Yes I do, yes I do, yes I do now)  
Because I love you  
(Yes I do, yes I do, yes I do now)
