

Please Don't Tell Me How the Story Ends

Kris Kristofferson

This could be our last goodnight together
We may never pass this way again
Just let me enjoy 'till its over
Or forever
Please don't tell me how the story ends See the way our shadows come together
Softer than your fingers on my skin
Someday this may be all
That we'll remember
Of each other
Please don't tell me how the story ends Never's just the echo of forever
Lonesome as the love that might have been
Just let me go on loving and believing
'Till it's over
Please don't tell me how the story ends Please don't tell me how the story ends
