

# Sixpack

## Toktok

Lets load the car up  
I got a bag of ice  
I got a six pack  
And I don't wanna go backIt's pretty hot out  
It's only 50 miles  
I wanna cool out  
And get wastedIt's so hot in this tiny room  
So, so, so, so, so, so, so, so, hotIt's so hot in this tiny room  
So, so, so, so, so, so, so, so, so, hot
