

Tower

Big Head Todd and the Monsters

I want to be your Saturday, your sunrise,
In an empty space
Keep you to your lazy ways, dream late
A love affair, an end too soon, swept away,
And left unused
I want to see, if you're amused
Or alive
Walkin' 'round the tower of love
Stuck on the ground
I can't climb up
Seems like every time I look up
Rain's comin' down
Storm clouds above I want to sleep beside you now,
And leave behind the world without
Deep inside and there's none to count
Or untie
I want to be the one you break, and take you
To the higher place
Just believe and I can make you fly Walkin' 'round the tower of love
Stuck on the ground
I can't climb up
Seems like every time I look up
Rain's comin' down
Storm clouds above What is done can keep you down, and only love
Can turn around
And yesterday won't make a sound as you climb
