

Drown (Alternate Guitar Solo)

Smashing Pumpkins

No matter where you are
I can still hear you when you drown
You traveled very far
Just to see you I'll come around
When I'm down All of those yesterdays
Coming down No matter where you are
I can still hear you when you dream
You traveled very far
You traveled far like a star
And you are All of those yesterdays
Coming down Is it something someone said?
Was it something someone said? Yesterday the sky was you
And I still feel the same
Nothing left for me to do
And I still feel the same I wish, I wish, I could fly
I wish, I wish, I could lie
I will, I will try
I will, I will, goodbye
