

He Didn't Have To Be

[Brad Paisley](#)

When a single mom goes out on a date with somebody new
And it always winds up being more like a job interview
My momma used to wonder if she'd ever meet someone
Who wouldn't find out about me and then turn around and run
I met the man I call my Dad when I was five
years old
He took my Mom out to a movie and for once I got to go
A few months later I remember lying there in bed
I overheard him pop the question and I prayed that she'd say yes
And then all of a sudden oh it seemed so
strange to me
How we went from somethings missing to a family
Lookin' back all I can say about all the things he did for me
Is I hope I'm at least half the Dad that he didn't have to be
I met the girl that's now my wife about three years
ago
We had the perfect marriage but we wanted somethin' more
Now here I stand surrounded by our family and friends
Crowded 'round the nursery window as they bring the baby in
And now all of a sudden oh it seemed so strange
to me
How we've gone from somethings missing to a family
Lookin' through the glass I think about the man that's standin' next to me
And I hope I'm at least half the Dad that he didn't have to be
And lookin' back all I can say about all the things
he did for me
Is I hope I'm at least half the Dad that he didn't have to be
Yeah, I hope I'm at least half the Dad that he didn't have to be
Because he didn't have to be, you know he didn't have to be
