All Aboard (Ft. Lil Wayne)

Romeo Santos

Hey, escucha las palabras de RomeoYou need this in your life (yeah)
ven aquÃ-I'm gonna give you instructions
You just gotta follow my lead
Your body's making sounds like percussions
I'm orchestrating your fantasiesAnd when you wake up feeling like a dream
You ain't gone believe it
And everything you need
Girl u gone receive it tonight
And I know your condition
I'ma make you feel alive
Relax and feel the rideSo act like it's the last time
The last chance for you to go thereThere's one ticket left
And girl it's for you baby
The last ride, and girl you won't
Find this feeling nowhere
You better hurry cause the train is leavingAll aboard (come on mÃ³ntate mami)I use these words as persuasion
I don't got a reason to speak
It's always a special vacation
Every time you're laying with meAnd when you wake up feeling like a dream
You ain't gonna believe it
And everything you need
Girl you're gonna receive it tonight
And I know your condition
I'ma make you feel aliveSo act like it's the last time
The last chance for you to go there
There's one ticket left
And girl it's for you baby
The last ride, and girl you wont
Find this feeling nowhere
You better hurry cause the train is leavingAll aboardShe want to ride that Wayne train
So I'ma bag her like baggage claim
Then smoke that Mary, in the plane, Jane
And everything is just fine
I keep a picture of her smile
In the back of my mind
I grab the back of her head
She throw it back like rewindI put her face in the pillow
Taste it a little
Shorty said she feel like

She sitting on a missileI say 5, 4, 3, 2
One can only be you
Shanty said oh lord I'm coming
I say me too
My love has no equal
Get on top
And if you ride this train
Get off at your stopAnd when you wake up feeling like a dream
You ain't gone believe it
And everything youu need
Girl u gone receive it tonight
And I know your condition
I'ma make you feel alive
Relax and feel the rideThis is the last time
The last chance for you to go thereThere's one ticket left
And girl it's for you baby
The last grind, and girl you won't
Find this feeling nowhere
You better hurry cause the train is leavingAll aboard
(All aboard ha ha ha)
