

# Never Enders

## Lonestar

Yeah-ah-ah

Woo-oo-oo

We're lettin' goers, we're hold-on-ers

We weren't born to be goners

We dig deep, we go long

Where we come from is strong

We are changers with the timers

We are lovers we are fighters

Yeah, we came here to stay, ain't never gonna walk away, away, away

We are crazy wild dreamers

We are long shot believers

We are make a promise keepers

We are, we are, we are

We are now, we are forever

We are in this thing together

We don't give up or surrender

We are, we are, we are

Never enders

We are the fire that keeps on burning

Always live and always learning

We wear our hearts out on our sleeves

For all the world to see, to see, to see

We are crazy wild dreamers

We are long shot believers

We are make a promise keepers

We are, we are, we are

We are now, we are forever

We are in this thing together

We don't give up or surrender

We are, we are, we are

Never enders

Yeah-ea-eah

Woo-oo-oo

For worse or better

We are, we are

Never enders

We are, we are

We are crazy wild dreamers

We are long shot believers

We are make a promise keepers  
We are, we are  
We are now, we are forever  
We are in this thing together  
We don't give up or surrender  
We are, we are, we are  
Never enders  
Yeah-ea-eah  
Woo-oo-oo  
We are, we are, we are
