

# Let's Stay Together

## Feliz

I, I'm so in love with you  
Whatever you want to do is all right with me  
'Cause you make me feel so brand new  
And I want to spend my life with youLet me say that since, baby, since we've been together  
Loving you forever is what I need  
Oh let me be the one you come running to  
I'll never be untrueOh let's, let's stay together  
Lovin' you whether, whether  
Times are good or bad, happy or sad, alright, oh yeah  
Whether times are good or bad, happy or sadOh tell me why, why, why, why, why  
Why people break up, turn around and make up  
I can't see, you never, never, never do that to me  
You better not do, staying around you is all I  
All these eyes will ever seeWhy won't you say that me, everybody says  
That let's, let's stay together  
Lovin' you whether, whether  
Times are good or bad, happy or sadEverybody says, "Let's, let's stay together  
I'll keep on lovin' you whether, whether  
Times are, oh times are good or times are bad  
Whether, whether good or bad, happy or sad  
Oh yeah, oh yeah, oh yeah
