

# Good with the Bad

## Samsaya

I do it Monday morning, I really need to think it straight  
I'm done being stressed about decisions I need to make  
Want a change of pace from fighting the grey every day  
But you know what they say When you're up, you don't look down  
And when you're down, you wanna come around  
An emotional rollercoaster straight to the ground I take the good with the bad, the good with the bad  
Don't wanna let my life pass away  
I take the good with the bad, don't wanna be sad  
Tomorrow's not today  
Yeah yeah, yeah yeah, yeah yeah, yeah yeah  
Yeah yeah, yeah yeah, yeah yeah, yeah yeah It's only been a month but I'm ready for a getaway  
I'm done being stressed about all the bills I need to pay  
Wanna go out with my friends, hang out at my favourite place  
But you know what they say When you're up, you don't look down  
And when you're down, you wanna come around  
An emotional rollercoaster straight to the ground I take the good with the bad, the good with the bad  
Don't wanna let my life pass away  
I take the good with the bad, don't wanna be sad  
Tomorrow's not today  
Yeah yeah, yeah yeah, yeah yeah, yeah yeah  
Yeah yeah, yeah yeah, yeah yeah, yeah yeah 'Cause if tomorrow I should die, I know I  
I really lived my life, 'cause I know  
When you're up, you don't look down  
And when you're down, you wanna come around  
An emotional rollercoaster straight to the ground I take the good with the bad, the good with the bad  
Don't wanna let my life pass away  
I take the good with the bad, don't wanna be sad  
Tomorrow's not today  
Yeah yeah, yeah yeah, yeah yeah, yeah yeah  
Yeah yeah, yeah yeah, yeah yeah, yeah yeah
