Atlas Eyes

Emma Louise

Slim face child
The memories slide
Against my mindLaying in my bedroom floor young
With the rugs pressed in the ceilings
Where the aliens cameWhen I thought we were safeBut you saw ghosts
In the palace bathroom
And you run with your pants on your past
Wake me up after midnight
With your atlas eyes
You atlas eyes
With other cry
Can't stop on my will
If heroes break
And walkin with your backpack
All in too wide
When smoke fit to rise
The most will killWhen I thought you were safeBut you saw ghosts
In the palace bathroom
And you run with your pants on your past
Wake me up after midnight
With your atlas eyes
You atlas eyes
Atlas eyes
And don't use your grammar
At the table where did you speak as well
And at the guide will save us
To put drink in head run, run
Run, runSlim face child
The memories slide
Against my mindLaying in my bedroom floor young
With the rugs pressed in the ceilings
Where the aliens cameAtlas eyes
Atlas eyes
Atlas eyes
Atlas eyes
