Wolves

Cottonwood Firing Squad

Well the devil set a fire in my soul
When I was young
I lived among the wolves
Every neck I wrung
It was never good enough
And every ounce of blood I drew
Holding candles up to you

If I fall asleep may the breeze carry my dreams
In the midst of my defeat
I spread my ashes like disease
And carry on

Set me free
Set me free
Set me free

Set me free
Set me free
Won't you set me free

The devil set a fire in my soul
When I was young
I walked among the bulls
I would never run
I wasn't afraid of anyone
And every ounce of me
Feared every ounce of you

If I fall asleep may the breeze carry my dreams
Let it wash me clean
While you rip at the seams
And carry on

I'll set you free
Set you free
I'll set you free

I'll set you free
Set you free

I'll set you free

The devil set a fire in my soul
When I was young
I lived among the wolves
When I was young

If I fall asleep may the breeze carry my dreams
In the midst of my defeat
I'll spread my ashes like disease
And carry on

Set me free
Set me free
Won't you set me free

Set me free
Set me free
Won't you set me free

The devil set a fire in my soul
When I was young
